

The Right Thing

Alphabeat

I can't stand the way it is,
I can do nothing,
I can see the Sun's big bang

If this is not the right thing, the right thing,
Why do we stay, baby
I never meant to let you down but I'm giving it up,
And you don't understand that I never, ever meant to let you do
wn,
I'm giving it up, I'm giving it up

I've got to make my way without you,
I've got to do something,
I've got to make my way baby

If this is not the right thing, the right thing,
Why do we stay, baby
I never meant to let you down but I'm giving it up,
And you don't understand that I never, ever meant to let you do
wn,
I'm giving it up, I'm giving it up

Why're you still...
Why're you still...
Why're you still in my house
Why're you still...
Why're you still...
Why're you still in my house
Why're you still...
Why're you still in my house
Why're you still...

If this is not the right thing, this is not the right thing,
Why do we stay, baby
I never meant to let you down but I'm giving it up,
And you don't understand that I never, ever meant to let you do
wn,
I'm giving it up, I'm giving it up
