I like to get to know you, baby Touch me touching you If that's what you wanna do You have to touch me touching you

I like to get to know you, baby Touch me touching you If that's what you wanna do You have to touch me touching you

Can I touch you baby?
(Of course you can)
Can I touch you baby?

You still a stranger to me ba-ba-baby Touch number one and the stranger is gone

I like to get to know you, baby Touch me touching you If that's what you wanna do You have to touch me touching you
