

# Dance With Me

Alphaville

When the heat of light melts into the speeding time  
When the king returns from the ivory city side.  
Let the magnet-images wave the signals  
flashing oh so fast  
Then you'll meet me there under the moonshine  
In a lover's heaven  
We'll keep our promises at last  
In a lover's heaven  
We'll forget the past  
Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream, maybe  
We're reaching the gardens of delight

Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream maybe  
We're drowning in empires of delight

In the stardust dawn underneath the crystal roofs  
where the solar boys are playing games they never lose  
where the sailors are swaying  
Through the lightdomes shining in the sky  
There you'll meet me, darling, anyway

In a lover's heaven  
We'll keep our promises at last  
In a lover's heaven  
We'll forget the past

Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream, maybe  
We're reaching the gardens of delight  
Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream maybe  
We're drowning in empires of delight

In a lover's heaven  
We'll keep our promises at last  
In a lover's heaven  
We'll forget the past

Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream, maybe  
We're reaching the gardens of delight  
Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream maybe  
We're drowning in empires of delight

Do you want to dance with me  
Through one of those lonely nights  
It's more than a dream, maybe

We're reaching the gardens of delight
