Dance With Me

Alphaville

When the heat of light melts into the speeding time When the king returns from the ivory city side. Let the magnet-images wave the signals flashing oh so fast Then you'll meet me there under the moonshine In a lover's heaven We'll keep our promises at last In a lover's heaven We'll forget the past Do you want to dance with me Through one of those lonely nights It's more than a dream, maybe We're reaching the gardens of delight

Do you want to dance with me Through one of those lonely nights It's more than a dream maybe We're drowning in empires of delight

In the stardust dawn underneath the crystal roofs where the solar boys are playing games they never lose where the sailors are swaying Through the lightdomes shining in the sky There you'll meet me, darling, anyway

In a lover's heaven
We'll keep our promises at last
In a lover's heaven
We'll forget the past

Do you want to dance with me Through one of those lonely nights It's more than a dream, maybe We're reaching the gardens of delight Do you want to dance with me Through one of those lonely nights It's more than a dream maybe We're drowning in empires of delight

In a lover's heaven
We'll keep our promises at last
In a lover's heaven
We'll forget the past

Do you want to dance with me Through one of those lonely nights It's more than a dream, maybe We're reaching the gardens of delight Do you want to dance with me Through one of those lonely nights It's more than a dream maybe We're drowning in empires of delight

Do you want to dance with me Through one of those lonely nights It's more than a dream, maybe We're reaching the gardens of delight
