I promise this thing will sell, I promise I'll take you to heav en I promise this thing will sell, And I just can't wait

You have your plans, all these plans And there are moments, shall I call them a chance If I was you I would make them all mine And if I ain't got the power I would commit a crime

Buy you got ambition... I promise this thing will sell...

I'm gonna make you a deal, you know your friend I'm gonna stay with you until the very end I know you got the guts, I got a lot of time I'm gonna make me yours before I make you mine
