

# Forever Young

Alphaville

Let's dance in style, let's dance for a while  
Heaven can wait we're only watching the skies  
Hoping for the best, but expecting the worst  
Are you going to drop the bomb or not?

Let us die young or let us live forever  
We don't have the power, but we never say never  
Sitting in the sandpit, life is a short trip  
The music's for the sadman

Can you imagine when this race is won  
Turn our golden faces into the sun  
Praising our leaders, we're getting in tune  
The music's played by the madman

Forever Young  
I want to be Forever Young  
Do you really want to live forever?  
Forever, and ever  
Forever Young,  
I want to be Forever Young  
Do you really want to live forever?  
Forever Young.

Some are like water, some are like the heat  
Some are a melody and some are the beat  
Sooner or later they all will be gone  
Why don't they stay young?

It's so hard to get old without a cause  
I don't want to perish like a fading horse  
Youth is like diamonds in the sun  
And diamonds are forever

So many adventures couldn't happen today  
So many songs we forgot to play  
So many dreams are swinging out of the blue  
We let them come true
