Forever Young

Alphaville

Let's dance in style, let's dance for a while Heaven can wait we're only watching the skies Hoping for the best, but expecting the worst Are you going to drop the bomb or not?

Let us die young or let us live forever We don't have the power, but we never say never Sitting in the sandpit, life is a short trip The music's for the sadman

Can you imagine when this race is won Turn our golden faces into the sun Praising our leaders, we're getting in tune The music's played by the madman

Forever Young I want to be Forever Young Do you really want to live forever? Forever, and ever Forever Young, I want to be Forever Young Do you really want to live forever? Forever Young.

Some are like water, some are like the heat Some are a melody and some are the beat Sooner or later they all will be gone Why don't they stay young?

It's so hard to get old without a cause I don't want to perish like a fading horse Youth is like diamonds in the sun And diamonds are forever

So many adventures couldn't happen today So many songs we forgot to play So many dreams are swinging out of the blue We let them come true R: R:
