

Life is King

Alphaville

Life's a garden
Life is king
Life is all
And everything

Life is golden
Life is fair
Like a rainbow in your hair
Life's a once fantastic light

Life is shining in the night
Life's a fire from above
Life is you
And life is love

Life is golden
Life is king
Life is all and everything
Nothing to believe in

It's just there
Without a care
And no religion
Than the enigma of love
Life is king

Life's a poison much too strong
Makes you running on and on
Life's a drug and not your friend
Life will kill you in the end

Life is smooth
And life is friction
Life is such a contradiction
Life is god
And god needs lives
Life's a billion battlecries
Life is golden
