

## Life is King

Alphaville

Life's a garden  
Life is king  
Life is all  
And everything

Life is golden  
Life is fair  
Like a rainbow in your hair  
Life's a once fantastic light

Life is shining in the night  
Life's a fire from above  
Life is you  
And life is love

Life is golden  
Life is king  
Life is all and everything  
Nothing to believe in

It's just there  
Without a care  
And no religion  
Than the enigma of love  
Life is king

Life's a poison much too strong  
Makes you running on and on  
Life's a drug and not your friend  
Life will kill you in the end

Life is smooth  
And life is friction  
Life is such a contradiction  
Life is god  
And god needs lives  
Life's a billion battlecries  
Life is golden
