

Sensations

Alphaville

Listen to the news changes are coming soon
Atlantic engineers & cities in the moon
You better look across the ocean
Now tell me what you see
The southern cross explodes into the colours of the sea
Mighty Maomondog skips across the waves
Kick the door & hit the shore & be somebody else
Supersonic landscapes are melting in your hair
Bubblem gum comedians are planting skylarks in the air

Here we go with the new sensation
We, re on every station
Such a kind of a legend to turn you on
Dig that rhythm Genie
And listen to the voice of the dolphin

Listen to your radio...

All across the planet, politicians tremble
Continental sister, s rocking with the liquid gambler
Now the time is here, now it, s coming true
The enigmatic ecstasy is overwhelming you
Acrobats & Comets streaking by
40,000 sirens are waiting in the sky
Innersexual circuits are cruising without fear
All inviting you for partytiming here

That, s the start of the new sensation
We, re on every station
Such a kind of a legend to turn you on
Dig that rhythm Genie
And listen to the voice of the dolphin

Listen to your radio...

Listen to me - Listen to the voice of the dolphin
You, d better return to the sea - listen to his Majesty
You, d better return to the sea - You better return to the me...

Here's the new sensation
We're on every station...
