

# The Impossible Dream

Alphaville

Sometimes it feels so strange  
The way I feel for you  
It makes my life so quiet and free

And when you smile at me  
It's just that special love  
A kind of liberty I've never felt before

And I don't need to be a poet  
I don't need to be a hero  
When all I need to do is keep on loving you  
I just have to be me  
And I don't need to be  
The stranger anymore I used to be  
In my impossible dream

I keep my fingers crossed  
I never want to lose  
This new found world that's so alive, angel

I'm so in love with you  
My heart has circled in the past  
The demons of deceit but now aside I've cast

And I don't need to be a poet  
I don't need to be hero  
When all I need to do is keep on loving you  
I just have to be me  
And I don't need to be  
The stranger anymore I used to be  
In my impossible dream

And I don't need to be a poet  
I don't need to be hero  
When all I need to do is keep on loving you  
I just have to be me  
And I don't need to be  
The stranger anymore I used to be  
In my impossible dream

Sometimes it seems so strange  
The way I feel for you  
It makes my life so quiet and free

And I don't need to be a poet  
I don't need to be hero  
When all I need to do is keep on loving you  
I just have to be me  
And I don't need to be  
The stranger anymore I used to be  
In my impossible dream
