

In The Wild

Alpine

North, south, east, west
Take me there

Leaving home today (go)
Home is everywhere (oh)

In the wild

Taking off so young
Freeing up space of mind
Shall I take this slowly?
Or run into the wild?

In the wild

Leaving home today (go)
Home is everywhere (oh)
North, south, east, west

Leaving home today (go)
Home is everywhere (oh)
It's been too long
