

## In The Wild

Alpine

North, south, east, west  
Take me there

Leaving home today (go)  
Home is everywhere (oh)

In the wild

Taking off so young  
Freeing up space of mind  
Shall I take this slowly?  
Or run into the wild?

In the wild

Leaving home today (go)  
Home is everywhere (oh)  
North, south, east, west

Leaving home today (go)  
Home is everywhere (oh)  
It's been too long
