

Hikutsu na me tokedashita sora
Kasanete... SOTO NI DASE

Yume wo mite dareka no tame ni ikitakatta

Mou teokureda
Yatsu ga yami wo tsuretekuru

Boku ni nagareru kono chi nado
Namida to tomo ni karehatetekure
Ayatsurareta kokoro de wa odorenai yo
The shadowbeast calls
Feels like I'm stuck
They no longer have a hold on me

Koe wo koroshite asu wo ubau yoru ni
Rikutsu no nai emi ga doushitemo kakusenai
Shimetsukeru te ga tsuyoku naru hodo
Yorokobi ni nari azayaka na sekai he mukatte

Saketa michi kusaridashita tsumi
Owari he... JISHIN WO MOTE

Douse shinunda
Naraba kimi mo tsureteyukou

Zoku ni mamireta sekai nado yogoreta uso ga kurikaesu dake
Shihai no hate ga kono mi nara aisenai yo

Dark dresses my pale skin
I'll take the blame for the sake of you
Ask for your life !
There is nothing to waste
Your spirits shall be mine

The shadowbeast calls
Feels like I'm stuck
They no longer have a hold on me

Koe wo koroshite asu wo ubau yoru ni
Rikutsu no nai emi ga doushitemo kakusenai
Shimetsukeru te ga tsuyoku naru hodo
Yorokobi ni nari azayaka na sekai he mukatte
