

## Lovely Day

Alt-J

On the night line  
On the night line

When I wake up in the morning light  
Sunlight hurts my eyes  
Something without warning, love  
Lays heavy on my mind

Then I look at you [x5]  
And the world's alright with me

Oh,  
Just one look at you [x3]  
And I know it's gonna be  
A lovely day  
For the night line  
For the night line

When the day that lies ahead of me  
Seems impossible to face  
When someone else instead of me  
Always seems to know the way

Then I look at you  
And the world's alright with me

Just one look at you  
And I know it's gonna be  
A lovely day  
On the night line  
For the night line [x2]
