

# Enemy

Altaria

Leave me alone  
Are you friend or enemy  
Leave me alone  
Nothing's ever what it seems  
Leave me alone, enemy

I knew right from the start  
That I would not be free  
Just by leaving all behind  
But I just had to try  
And spread my wings again  
Recalling kings of times gone by

Can you see the flame has died  
Do you ever wonder why  
Take a hard look at me now

Leave me alone  
Reflections of a stormy sea  
Leave me alone  
Affection slowly sets me free  
Leave me alone, enemy

Remember yesterday, when skies were always blue  
And no mountain was too high  
Day by day I am, returning with desire  
Recalling gods of times gone by

Can you see the flame has died  
Do you ever wonder why  
Take a hard look at me now

Leave me alone  
Reflections of stormy sea  
Leave me alone  
Affection slowly sets me free  
Leave me alone  
Are you friend or enemy  
Leave me alone  
Nothing's ever what it seems  
Leave me alone, enemy

Leave me alone  
Reflections of stormy sea  
Leave me alone  
Affection slowly sets me free  
Leave me alone  
Are you friend or enemy  
Leave me alone  
Nothing's ever what it seems  
Leave me alone, enemy
