

# Buried Alive

Alter Bridge

I twist and turn in the darkest space  
Can't find my worth as I numb the pain  
Glass to the sky with a black tooth grin  
This whiskey smile that takes me down again

I'm cold and I'm so afraid  
That I'm too weak and I can't change

I've been buried alive  
And I don't want to be here anymore  
Reached out a thousand times  
For a hand to pull me from below

I've been buried alive  
In a world of constant sorrow  
Reached down tonight and set me free  
Save tomorrow

Another shot slip into the haze  
Another night soaked in my disgrace  
So sooth the lie, I raise my glass and run  
A wasted life, what have I become?

I've been buried alive  
And I don't want to be here anymore  
Reached out a thousand times  
For a hand to pull me from below

I've been buried alive  
In a world of constant sorrow  
Reached out tonight and set me free  
Save tomorrow

Save tomorrow  
Save tomorrow

Let me breathe again  
And show me where I begin  
To find a will to change  
Before I lose everything

Before I lose everything

I've been buried alive  
And I don't want to be here anymore  
Reached out a thousand times  
For a hand to pull me from below

I've been buried alive  
In a world of constant sorrow  
Reached down tonight and set me free  
And I will follow

I've been buried alive  
I've been buried alive  
I've been buried alive  
I've been buried alive
