

# Forever Falling

Alter Bridge

Never mind the cost  
On this beaten path I'm lost  
Betrayed all sense of self  
Ruin knows me all too well  
I cast this light into oblivion  
Shadows cast for miles as it falls

Relapse, regression  
Return, remission  
Oh give in and fail again  
Fall into madness  
Plummet and find this  
And I cannot just pretend  
Oh carry this light away  
Oh carry this light away  
Forever falling down

With every breathe I take  
The strength in me escapes  
I cast this light into oblivion  
Even darkness now, it too, it is gone

Relapse, regression  
Return, remission  
Oh give in and fail again  
Fall into madness  
Plummet and find this  
And I cannot just pretend  
Oh carry this light away  
Oh carry this light away  
Forever falling down

I am now lost, somewhere down deep inside  
Oh bury the fool, the wretch and his habit died

Relapse, regression  
Return, remission  
Oh give in and fail again  
Fall into madness  
Plummet and find this  
And I cannot just pretend  
Oh carry this light away  
Oh carry this light away  
Forever falling down
