

# Ghost of Days Gone By

Alter Bridge

The misery I know  
Like a friend that won't let go  
Is creeping up on me now once again

So I sing this song tonight  
To the ghost that will not die  
And somehow seems to haunt me till the end

Do you feel the same  
For what once remained  
Yesterday is gone, we can't go back again  
Do you ever cry for the Ghost of Days Gone By

I remember summer days  
We were young and unafraid  
With innocence we'd glide beneath the stars

It seems so long ago  
Beyond the life that I now know  
Before the years would have their way and break my heart

Do you feel the same  
For what once remained  
Yesterday is gone, we can't go back again  
Do you ever cry for the Ghost of Days Gone By

And I know it's drawing closer  
With each day I fear the end  
And I... don't wanna die  
Don't wanna die, don't wanna die

I don't wanna die

Do you feel the same  
For what once remained  
Yesterday is gone, we can't go back again  
Do you ever cry for the days gone by  
Do they haunt you like a ghost until the end  
Haunt you till the end, until the end  
Until the end, until the end
