

# In Loving Memory

Alter Bridge

(2x)

1. Thanks for all you've done  
I've missed you for so long, I can't believe you're gone  
you still live in me  
I feel you in the wind, u guide me constantly  
I never knew what it was to be alone.. no  
cause you were always there for me, you were always waiting  
but now I come home and I miss your face so  
smiling down on me, I close my eyes to see

R: And I know, you're a part of me  
and its your song, that sets me free  
I sing it while I feel I cant go on  
I sing tonight, cause it comforts me

2. I carry the thing that reminds me of you  
in loving memory of, the one that was so true  
you were as kind as you could be  
and even though you're gone, you still mean the world to me  
I never knew what it was to be alone.. no  
cause you were always there for me, you were always waiting  
but now I come home and it's not the same no  
it feels empty and alone, I can't believe you're gone

R: And I know...

\*: I'm glad he set you free from sorrow  
but I'll still love you more tomorrow  
and you'll be here with me still  
all you did you did with feeling  
and you always found a meaning  
and you always will  
and you always will  
and you always will

R: And I know...
