

# Life Must Go On

Alter Bridge

1. Sitting alone in the cold of the night  
You're trying to find what you need to survive  
You're so afraid  
You can't go on

2. Left in the silence that tears at your heart  
They only remind you how broken you are  
You've lost your way  
But hope is not gone

R: 'Cause the sun always sets  
The moon always falls  
It feels like the end  
Just pay no mind at all  
Keep rolling, rolling  
Life must go on

3. Do you remember and long for the past  
When love was eternal and joy seemed to last  
Yesterday  
Forever is gone

R: 'Cause the sun always sets...

\*: We have our misfortunes  
The darkest of days  
We must endure and keep strong  
Just look to the morning  
The promise awaits  
And know that this life must go on
