

Life Must Go On

Alter Bridge

1. Sitting alone in the cold of the night
You're trying to find what you need to survive
You're so afraid
You can't go on

2. Left in the silence that tears at your heart
They only remind you how broken you are
You've lost your way
But hope is not gone

R: 'Cause the sun always sets
The moon always falls
It feels like the end
Just pay no mind at all
Keep rolling, rolling
Life must go on

3. Do you remember and long for the past
When love was eternal and joy seemed to last
Yesterday
Forever is gone

R: 'Cause the sun always sets...

*: We have our misfortunes
The darkest of days
We must endure and keep strong
Just look to the morning
The promise awaits
And know that this life must go on
