

Watch Over You

Alter Bridge

Leaves are on the ground
Fall has come
Blue skies turning grey
Like my love
I try to carry you
And make you whole
But it was never enough
I must go

And who is gonna save you when I'm gone
And who'll watch over you
When I'm gone?

You say you care for me
But hide it well
How can you love someone not yourself?

And who is gonna save you when I'm gone?

And who'll watch over you when I'm gone?

And when I'm gone who will break your fall
And fan your flame
I can't go on let you loose it all Its more then I can take
Who'll ease your pain
Ease your pain?

And who is gonna save you when I'm gone
And who'll watch over you?
And I will give you strength when you're not strong
Who'll watch over you when I'm gone away

Snow is on the ground
Winter's come
You long to hear my voice
But I'm long gone
