

## Watch Over You

Alter Bridge

Leaves are on the ground  
Fall has come  
Blue skies turning grey  
Like my love  
I try to carry you  
And make you whole  
But it was never enough  
I must go

And who is gonna save you when I'm gone  
And who'll watch over you  
When I'm gone?

You say you care for me  
But hide it well  
How can you love someone not yourself?

And who is gonna save you when I'm gone?

And who'll watch over you when I'm gone?

And when I'm gone who will break your fall  
And fan your flame  
I can't go on let you loose it all Its more then I can take  
Who'll ease your pain  
Ease your pain?

And who is gonna save you when I'm gone  
And who'll watch over you?  
And I will give you strength when you're not strong  
Who'll watch over you when I'm gone away

Snow is on the ground  
Winter's come  
You long to hear my voice  
But I'm long gone
