

Insects

Altered Images

I can see you
In my memories
Watching
Everything I do
When I walk
When I talk
You do too
I can see you
Taking over me
Living my life
Out for free
When I walk
When I talk
You do too
When I walk
When I talk
You do too
Hidden
Behind
The idols
You adore
Tell me
Tell me
Tell me
Which one
Are you
Today?
