

Leave Me Alone

Altered Images

She was meant, meant to be the one for me
She was once, not now, my only love
Why don't you know, why don't you care
Why don't you realise?
What she did to me, meant to me
Leave me, why don't you leave me alone?
Why don't you know, why don't you care
Why don't you realise?
What she did to me, meant to me
Leave me, why don't you leave me alone?
I'd like to make it clear
To make it crystal
To make you know at first, show at first
Leave me

I'd like to make it clear
To make it crystal
To make you know at first, show at first
Leave me

I hate her now, despise her now, loathe her now
Hate hate hate, hate her now, yeah
She's disgusting
Disgusting to me
Why don't you know, why don't you care
Why don't you realise?
What she did to me, meant to me
Leave me, why don't you leave me now?
On and on and on and on and
On and on and on and on and
On and on and on and on
How much I loved her, loved her

Why don't you know, why don't you care
Why don't you realise?
What she did to me, meant to me
Leave me, why don't you leave me alone?
On and on and on and on and
On and on and on and on and
On and on and on and on
How much I loved her, loved her, loved her
Leave me, leave me, leave me alone
Leave me, leave me, leave me alone
Alone, alone, alone, alone, alone, alone, alone, alone
Leave me
Alone
