Hurting Me

Ellis, Alton

You see, You cry,
You don't hurt nobody, But yourself
The things you do, Are sure gonna hurt you too
The things you sow, The sow you gonna reap
 (Give it up, give it up, give it up   Ahahah)

* You see, You hurt me,
You don't hurt nobody, But yourself
The things you do, some are gonna hurt you too
The things you sow, The sow you gonna reap
 (Give it up, give it up, give it up   Ahahah)
Hurting me(Give it up, give it up, give it up   Ahahah)
Hurting me--Yeah !(Give it up, give it up, give it up   Ahahah)
