

## B Ur Boo

AlunaGeorge

Girlfriends got me at the fun  
She's using all that tricks to get me in the lipstick on  
Ain't looking on, there's no way out  
Baby come on now is my should  
I tell it straight today was my keep day,  
I just want to stay home and find a way  
Were all alone, chill on my own, in my head

Won't tell me you wanna be alone  
Cause I don't believe,  
Well I don't believe you,  
No, no, no, don't think  
I don't know just what you need  
Just let me lead that, be what you need it  
Please let me lead you out  
No, no, no don't believe, ooh, ooh no,  
Cause I don't believe you

Time run away feels like  
The perfect way to sunny a rainy day  
But I go and help my girlfriend,  
Her boyfriends out tonight like a bad boy  
She told me straight, today she don't wanna play  
Just want to stay home and hide away  
Be all alone; cry all alone in her bed

Won't tell me you wanna be alone  
Cause I don't believe,  
Well I don't believe you,  
No, no, no, don't think  
I don't know just what you need  
Just let me lead that, be what you need it  
Please let me lead you out  
No, no, no don't believe,  
Ooh, ooh no, cause I don't believe you  
Sometimes I make mistakes you know I'll be your boo  
We always make it fool
