

In My Head

AlunaGeorge

You give me life when I need it most
You always recognize
It's like you got the power in you, hypnotized
Yeah when I'm in a funk and know it's breaking me
You make me right

Yeah, you give me life
You give me life
You give me life
Yeah, you give me life
It's like you're goin'
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo
In my head
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo
It's like you're goin'
It's like you're goin'

You give me power
When my head's surrendered to the darkest hour
I can hear you calling from the soda
Drowning out the people that be fronting me
And you make it right

You give me life
Yeah, you give me life
You give me life
Yeah, you give me life

It's like you're goin'
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo
In my head
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo
It's like you're goin'
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo
In my head
Da da da da da, da, doo
Da da da da da, da, da da, da, da doo

Babe, you know you give me life
Babe, you know you give me what I need
What I need, what I need, what I need
Babe, you know you give me life
Babe, you know you give me what I need
What I need, what I need, what I need, yeah

It's like you're goin'
It's like you're goin'
