

# Indestructible

AlunaGeorge

I don't wanna break you down  
By being indestructible  
You better do something crazy to me  
Made corruptible  
Cause if I make it easy  
I will never be myself  
And I don't wanna break you down by being  
Indestructible  
Indestructible

I believe that fantasy  
Is an enemy of reality  
But I can't seem to stop dreaming  
About wild things with you and me  
But that's just not enough to show me  
All I need to know before I ring a bell

I don't wanna break you down  
By being indestructible  
You better do something crazy to me  
Made corruptible  
Cause if I make it easy  
I will never be myself  
And I don't wanna break you down by being  
Indestructible  
Indestructible

You say I'm way too cold with you  
But if I don't keep hold  
I'm not extreme  
And yet I'm told  
As I hurry will unfold  
This love isn't like a drive by  
You can't just pick it up on the slide  
You'd better step up and show me why  
Show me why

I don't wanna break you down  
By being indestructible  
You better do something crazy to me  
Made corruptible  
Cause if I make it easy  
I will never be myself  
And I don't wanna break you down by being  
Indestructible  
Indestructible  
Indestructible
