

# Put Up Your Hands

AlunaGeorge

Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands

I got a million emails in the box  
Unread, from you  
What you're trying to do?  
I gotta say, the ship sailed  
But you got your head confused  
What you're trying to prove?  
Work it out, work it out  
You won't get nothing from me  
Baby don't you see?  
I'm now, what you know, what you know  
There's no way in coming back  
Baby don't look back, to me

Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands, hands, hands, hands  
Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands

I get a lot of friends say, they got bad messages waiting  
From you  
What am I supposed to do  
I gotta say you're desperate  
I don't like your self-abuse  
Have you blown a fuse  
Work it out, work it out  
You won't get nothing from me  
Baby don't you see?  
I'm now, what you know, what you know  
There's no way in coming back

Baby don't look back, to me

Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands, hands, hands, hands  
Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands

So just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands  
Cause I think you lost the fight  
No need to take a stand, just put up your hands  
So baby even if you're right  
You're still sinking in the quick sands  
So just put up your hands

Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands, hands, hands, hands  
Why don't you save yourself,  
From all this trouble  
And just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
Put up your hands, hands, hands, hands  
So just put up your hands
