

# How Do You Do It

Alvin Lee

Working at the shop, always on the go  
when it's time to stop, going to a show  
when the show is over, never miss a beat  
straight to a dancing club  
you're always on your feet

Tell me how do you do it  
tell me how do you do it  
tell me how do you do it  
I can't keep up with you

Saturday's the same, running to and fro  
babe it's such a shame, always on the go  
ain't got time for love. always on the speed  
baby what you're trying to do  
just save some time for me

Tell me how do you do it  
tell me how do you do it  
tell me how do you do it  
I can't keep up with you  
you, you, you, you (yeah)

Rocket driven girl, never gonna stop  
always in a whirl, bop until you drop  
going to a rave, staying up all night  
flying like a shootong star  
and burnign up so bright

Tell me how do you do it  
tell me how do you do it  
tell me how do you do it  
I can't keep up with you  
(can't keep up with you no more)

Tell me how do you do it  
tell me how do you do it  
tell me how do you do it  
I can't keep up with you

Tell me how do you do it  
tell me how do you do it  
tell me how do you do it  
I can't keep up with you  
you, you, you, you (yeah)
