

Do You Believe In Magic?

Aly & AJ

Do you believe in magic
In a young girl's heart
How the music can free her whenever it starts
And it's magic
If the music is groovy
It makes you feel happy like an old-time movie

I'll tell you 'bout some magic, it'll free your soul
It's like tryin to tell a stranger about rock 'n roll

If you believe in magic
Don't bother to choose
If it's Jug band music
Or rhythm and blues
Just go and listen
It'll start with a smile
It won't wipe off your face
No matter how hard you try

Your feet start tappin
And you can't seem to find
How you got there
So just blow your mind

If you believe in magic
Come along with me
We'll dance until mornin
Til there's just you and me

And maybe
If the music is right
I'll meet you tomorrow
Sort of late at night

And we'll go dancin
Baby, then you'll see
How the magic's in the music
And the music's in me

Do you believe in magic, ya

Believe in the magic of a young girl's soul
Believe in the magic of rock 'n roll
Believe in the magic that can set you free
Oh...
Talkin bout magic

Do you believe in magic
Do you believe like I believe in magic (5x)
