Even if you cared
I wouldn't dare to follow
Living in your dreams
And we are feelin' hollow
And I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh

Even if you tried
You couldn't find a reason
Drown me in your lies
And make me believe 'em
Boy I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh-oh-oh

The one
That I once followed
Would leave me there alone

The world
I built around me
Behaved, become my home

And I won't back down
If you won't drag on

Even if you cared
I wouldn't dare to follow
Living in your dreams
And we are feelin' hollow
And I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh

Even if you tried
You couldn't find a reason
Drown me in your lies
And make me believe 'em
Boy I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh-oh-oh

The lies
I let you tell me
Won't hold me down for long

I know
That you won't miss me
Even when I'm gone

And I won't back down
If you don't let go

But I can't hold on
If you don't stand down

Even if you cared
I wouldn't dare to follow
Living in your dreams
And we are feelin' hollow
And I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh

Even if you tried
You couldn't find a reason
Drown me in your lies
And make me believe 'em
Boy I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh-oh-oh

I don't care
You won't hear
Did I waste your time?
You always made it about you now

Don't care
It was never about you now
Don't care
It was never about you now

I don't care
You won't hear
Did I waste your time?
You always made it about you now

Don't care
It was never about you now
Don't care
It was never about you

Even if you cared
I wouldn't dare to follow
Living in your dreams
And we are feelin' hollow
And I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh

Even if you tried
You couldn't find a reason
Drown me in your lies
And make me believe 'em
Boy I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh-oh-oh

Even if you cared
I wouldn't dare to follow
Living in your dreams
And we are feelin' hollow

And I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh

Even if you tried
You couldn't find a reason
Drown me in your lies
And make me believe 'em
Boy I know you won't dare
You don't care
Cause you know I'm gonna go-oh
So go-oh-oh-oh
