

# Let It All Go

Alyssa Reid

I don't wanna have to be the one to say goodbye  
After all this time  
You told me you need a little space so  
I said that's fine

You had me floating to the sky, I was light as a feather  
But it's easier for you to fall apart than stay together  
It was good but it's gone, when you were here it was better  
Oh oh oh oh

Give it all up, let it all go  
Oh oh oh oh oh  
Give me your love, let it unfold  
Oh oh oh oh oh  
You had me floating to the sky, I was light as a feather  
Can we have another try or I promise you will...  
Give it all up, let it all go  
Oh oh oh oh oh  
Oh oh oh oh oh

I don't wanna have to go a day without you here  
Even after all this time  
You told me you never wanna let me go  
And you said you're mine

You had me floating to the sky, I was light as a feather  
But it's easier for you to fall apart than stay together  
It was good but it's gone, when you were here it was better  
Oh oh oh oh

Give it all up, let it all go  
Oh oh oh oh oh  
Give me your love, let it unfold  
Oh oh oh oh oh  
You had me floating to the sky, I was light as a feather  
Can we have another try or I promise you will...  
Give it all up, let it all go  
Oh oh oh oh oh  
Oh oh oh oh oh

Give me your love, I could never  
No oh oh oh oh  
You don't need to rush it, we will take it slow  
Yea, when we can

Give it all up, let it all go  
Oh oh oh oh oh  
Give me your love, let it unfold  
Oh oh oh oh oh  
You had me floating to the sky, I was light as a feather  
Can we have another try or I promise you will...  
Give it all up, let it all go  
Oh oh oh oh oh  
Oh oh oh oh oh

You had me floating to the sky, I was light as a feather  
Give it all up, let it all go

Oh oh oh oh oh
