

Time Bomb

Alyssa Reid

As I'm laying beside you
I never felt so alone
And I'm crawling through the darkness
I've never been so far from home

The words raced in your mind
But it's a waste of time, you have nothing...
To say anymore
And it's too late to take back
The nights I said there lying
And so instead I walk you walk out the door

I'm drowning in my thoughts, my shadow's taking over me
I am sinking to the bottom, come and help me to breathe
I am a time bomb
I am a time bomb
So stay away from me
Away...

I have walked on the edge
Here I stand, I'm just waiting to fall
And I have climbed every mountain
Still I've never felt so small

The words raced in your mind
But it's a waste of time, you have nothing...
To say anymore
And it's too late to take back
The nights I said there lying
And so instead I walk you walk out the door

I'm drowning in my thoughts, my shadow's taking over me
I am sinking to the bottom, come and help me to breathe
I am a time bomb
I am a time bomb
So stay away from me
Away...

Away from me
