

# Watch Me Soar

Alyssa Reid

I don't know why I've been wishing  
You'll come around  
I let you catch me walking with  
My chin to the ground

Gotta get my head back on my shoulders  
Gotta set my sight to the sky  
I need to make it right  
And let you own me  
But tonight I fly

And I'm, I'm, I'm, I'm go  
And you'll, you'll, you'll watch me soar  
I've been chained to the bottom  
Caged like a bird

I've been judged  
I've been bullied  
But I couldn't say a word

If I'm ain't getting higher  
And you watch me from the dirt

You can't reach me  
You can't touch me  
Watch me soar like a bird  
Watch me soar like a bird  
I don't know how I let you  
Become my whole life  
I was just a dreamer  
But you pushed that aside

Now I'm in the cloud  
But I'm not sleeping  
Tried to shove me down  
But I'm awake

I let you get the best I had offer  
But my dreams you cannot take

And I'm, I'm, I'm, I'm go  
And you'll, you'll, you'll, you'll watch me soar  
I've been chained to the bottom  
Caged like a bird

I've been judged  
I've been bullied  
But I couldn't say a word

If I'm ain't getting higher  
And you watch me from the dirt

You can't reach me  
You can't touch me  
Watch me soar like a bird  
Watch me soar like a bird
