

So Lonely

AM

Driving by the window where you work
Is when I should've let you know
Instead I'm only saying hello
And waiting for your phone call meant the world to me
But now it's over and I'm through
With all this running after you
'Cause I know you found the one you want and I would never do

So I don't wanna say I'm sorry
'Cause that would mean I'm moving on
I'd rather keep the story going
So maybe it will come undone
And I don't wanna say forever
'Cause that would take out all the fun
So how can someone be so lonely?
I guess that I'm the only one

I bet if I were cool you'd take me on
That's what I'm trying not to see
But see, that's taking way too long
And sitting in your driveway Sunday afternoon
Is when I should've let you know if we could only be alone
But I know you found the one you want
So I will never do, I wish I knew

So I don't wanna say I'm sorry
'Cause that would mean I'm moving on
I'd rather keep the story going
So maybe it will come undone
And I don't wanna say forever
'Cause that would take out all the fun
So how can someone be so lonely?
I guess that I'm the only one

I'm losing out
On the way you looked at me
I'm losing out
I never wanted it any other way
I'm losing out
And all the things you said to me
I'm losing out
You're the one that I've been dreaming of

Driving by the window where you work
Is when I should've let you know
Instead of only saying hello

So I don't wanna say I'm sorry
'Cause that would mean I'm moving on
I'd rather keep the story going
So maybe it will come undone
And I don't wanna say forever
'Cause that would take out all the fun
So how can someone be so lonely?
I guess that I'm the only one
