

## Temporary One

AM

I'm not sure what I'm doing here  
I'm wondering what this day will bring  
You're far away but you're still near  
But I think that'll be ok with me

I'd settle things but I'm headstrong  
Now it's just easier to fake my way  
It's not that I can't resolve  
It's just that I don't have much to say

Looking at those photographs  
I can't see who's right or wrong  
I was your second hand  
And you were just my temporary one
