

Just a Gigolo

Amanda Lear

I'm just a gigolo and everywhere I go
People know the part I'm playing
Paid for every dance selling each romance
Ooh, what they're saying

There would come a day when youth will pass away
What will they say about me
When the end comes I know
They say "He was just a gigolo"
Life goes on without me

I'm just a gigolo and everywhere I go
People know the part I'm playing
Paid for every dance selling each romance
Ooh, what they're saying

Cuz I ain't got nobody
Nobody cares for me, nobody, nobody cares for me
I'm so sad and lonely
Sad and lonely, sad and lonely
Won't some sweet mama come and take a chance with me
Cuz I ain't so bad
Sad and lonesome all the time
Even on the beat, on the, on the beat

I ain't got nobody
Nobody cares for me, nobody, nobody

Really ain't got nobody, sad and lonesome
Baby need love

I, I, I, ain't got nobody
Nobody, nobody cares for me ,nobody, nobody
I'm so sad and lonely, sad and lonely
Won't some sweet mama come and take a chance with me
Cuz I ain't so bad
Really want that soul, little loving soul all the time
Even on the beat, cherry, cherry on the beat
Need a long tall darling, mama
Feeling sick
Got nobody, no, nobody, nobody
Nobody, nobody, no one, no one

Loopey loop, darling, darling
Getting serious, got to see the walls
Over there. nobody, got no one, nobody
Nobody, nobody, nobody
Nobody, nobody cares for me
