

# Just a Gigolo

Amanda Lear

I'm just a gigolo and everywhere I go  
People know the part I'm playing  
Paid for every dance selling each romance  
Ooh, what they're saying

There would come a day when youth will pass away  
What will they say about me  
When the end comes I know  
They say "He was just a gigolo"  
Life goes on without me

I'm just a gigolo and everywhere I go  
People know the part I'm playing  
Paid for every dance selling each romance  
Ooh, what they're saying

Cuz I ain't got nobody  
Nobody cares for me, nobody, nobody cares for me  
I'm so sad and lonely  
Sad and lonely, sad and lonely  
Won't some sweet mama come and take a chance with me  
Cuz I ain't so bad  
Sad and lonesome all the time  
Even on the beat, on the, on the beat  
( From: <http://www.elyrics.net/read/a/amanda-lear-lyrics/just-a-gigolo-lyrics.html> )  
I ain't got nobody  
Nobody cares for me, nobody, nobody

Really ain't got nobody, sad and lonesome  
Baby need love

I, I, I, ain't got nobody  
Nobody, nobody cares for me ,nobody, nobody  
I'm so sad and lonely, sad and lonely  
Won't some sweet mama come and take a chance with me  
Cuz I ain't so bad  
Really want that soul, little loving soul all the time  
Even on the beat, cherry, cherry on the beat  
Need a long tall darling, mama  
Feeling sick  
Got nobody, no, nobody, nobody  
Nobody, nobody, no one, no one

Loopey loop, darling, darling  
Getting serious, got to see the walls  
Over there. nobody, got no one, nobody  
Nobody, nobody, nobody  
Nobody, nobody cares for me
