

# Why Don't You Love Me?

Amanda Marshall

Why am I lonely  
You're sittin' right here  
Why am I talkin'  
It's like i'm talkin' to the air  
And what am I lookin' for  
It just isn't there

And why am I angry  
And how'd it get so bad  
Why am I missin'  
What we never really had

Why don't you love me the way I love you  
And why don't you feel things as deep as I do  
We've got a fundamental difference  
In matters of emotion  
But I need to feel you need me like a river needs an ocean  
Baby why don't you love me

Who am I kiddin' baby  
It wasn't meant to be  
But you wanted a believer  
And I needed to believe  
For every wall you built around you  
I learned a brand new way to climb  
And if I could've been your angel  
I would've found a way to fly

Why don't you love me the way I love you  
And why don't you feel things as deep as I do  
We've got a fundamental difference  
In matters of emotion  
But I need to feel you need me like a river needs an ocean  
Baby why don't you love me

I don't understand you  
What's it take to make you cry  
And if leavin' you don't break you  
Then baby what's it matter why

Why don't you love me  
Why don't you love me  
Can you tell me why  
Why don't you feel things  
Can you tell me why, baby  
Why don't you love me  
I've gotta know why, oh  
Why don't you feel things  
Can you talk to me baby  
Why don't you love me  
And tell me why  
Why don't you feel things  
Why am I lonely  
Why don't you love me  
I'm sittin' right here  
Why don't you feel things
