

# Do It with a Rockstar

Amanda Palmer

Now I lay me down to sleep

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?

No regrets  
Noblesse oblige  
Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?  
Do you wanna smoke till our throats are sore?  
Make out and then talk and then make out some more?

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?  
Do you wanna know all the things I do  
When I'm all alone and thinking about you?

Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you, do you, do you, do you  
Do you, do you, do you, do you?

Do you wanna go back home?  
Your animals are all alone  
Oh, there's a chicken waiting on the stove  
And your cousin left his DVD of swinging in the '70s  
Or do you wanna go back home  
Check your messages and charge your phone?  
Oh, are you really sure  
You wanna go  
When you could  
Do it with a rock star?  
Do it with a rock star

Wait, wait, wait  
I'll be fine in a minute  
Wait, wait, wait  
I'll be fine in a minute  
Fine in a minute

I don't want your body  
Just a part to listen to INXS  
All the practice in the world  
Won't get me good at loneliness-ness  
Loneliless-ness  
Loneliness-less  
Ness-less-ness-less

Do you wanna dance?  
Do you wanna fight?  
Do you wanna get drunk and stay the night?  
Do you wanna see all my cavities?

Talk about the crisis in the Middle East?  
Do you wanna get really terrified?  
Ice caps are all melting, and we're gonna die  
Do you wanna cry?  
I can make you cry  
Do you wanna hit me, baby, one more time?

Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you wanna?  
Do you, do you, do you, do you  
Do you, do you, do you, do you  
Do you wanna go back home?  
Your animals are all alone  
Oh, there's a chicken waiting on the stove  
And your cousin left his DVD of swinging in the '70s  
Or do you wanna go back home  
Check your messages and charge your phone?  
Oh, are you really sure  
You wanna go  
When you could  
Do it with a rock star?  
Do it with a rock star

Wait, wait, wait  
I'll be fine in a minute  
Wait, wait, wait  
I'll be fine in a minute

(Do you wanna go back home?)  
Wait, wait, wait  
I'll be fine in a minute  
(Do you wanna go back home?)  
Wait wait wait  
I'll be fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute  
Fine in a minute
