

Get 'Em Hype

Amanda Perez

see all the lovin' in the world
i'm with it
if you down we can split
i guarantee that you can feel it
giving you all my warm embraces
and if i give them to you
i guarantee they wont be wasted
touch on your face wit my fingertips
kiss you all over your body
with my soft lips
i whisper little things in your ear
tell you all the little things
that you love and deserve to hear
i must admit
i'm always looking in your pretty eyes
telling you i love you
when i tell the other fellows lies
and that's the way it's always gonna be
cause i gotta give my baby boo
everything he needs, see
and you don't even hhave to be asking
cause i know you want some action

begging me please
for your keys to your mercedes
