

# Please

Amanda Perez

Lately I know me and you been going through some hard times  
But I will climb the highest mountain,  
swim the deepest sea just to keep you mine  
And you don't really know what I feel when I feel your touch  
It makes me wanna get on both my knees and tell you take all my love  
Baby take all my love

Baby please don't leave  
I know I said a lot of things  
But I'm so, I'm so sorry (I'm so sorry)  
I'm begging you, begging you not to go  
I couldn't stand to wake up each morning  
and not see your face anymore  
Baby please

A feeling real deep down inside it makes me wanna cry  
I ask myself why did I  
Do those things that I didn't mean  
It's not too late baby we still can see if it was meant to be  
me and you and you and me, baby please

Baby please don't leave  
I know I said a lot of things  
But I'm so, I'm so sorry (I'm so sorry)  
I'm begging you, begging you not to go  
I couldn't stand to wake up each morning  
and not see your face anymore  
Baby please

Everybody makes mistakes  
But baby please don't let this wait  
I can spend my life without you  
I wouldn't know what to do  
Life's like a rollercoaster up and down  
when you go through this  
I wanna be around (be around)  
I wanna feel you next to me  
Oh baby, please don't leave

Baby please don't leave  
I know I said a lot of things  
But I'm so, I'm so sorry (I'm so sorry)  
I'm begging you, begging you not to go  
I couldn't stand to wake up each morning  
and not see your face anymore  
Baby please
