Whispering

Amanda Shires

Whispering while you cuddle near me Whispering so no one can hear me Each little whisper seems to cheer me I know it's true dear...there's no one but you

I'm a singin'

Whispering why you'll never leave me Whispering why you'll never grieve me Whisper and say that you believe me Whispering that I love you

(instrumental break)

Whispering while you cuddle near me Whispering so no one can hear me Each little whisper seems to cheer me Just whispering that I love you
