

## Lullaby

Amaran

When we're in the final row, what direction will we go  
I once was blind, but now I see this misery  
How could this beso wrong when the desire is so strong  
He's been wanting he's been wanting for too long

Good night sweet child, sleep for a while  
Rest as I sing you a lullaby

A little angel came to life he smiled and turned away  
This is no place for me, no place for innocence

And the demons come at night to feast on every beam of light  
But don't be scared it's just a bad, bad dream or so it seems
