Ashes

Ambeon

Into the heat Swallowed into that hole Melted down

Burned to ashes
And the ashes flew
In the wind
Taken by breath
As I breathe on

Shadows in my head When I'm too high to think Give me my view

Ease my whirlwind
You thought so
These aren't your concerns
They're ours
This is not what we wanted in the first place
But it's ok
After all
It's been called
The fate of a dreamer

Loved by only you
It is all I allow
It has been called
The fate of a dreamer
