

Shiver

Amber Run

Oo, Oo, Oo...

I apologize,
it seems I barely knew you
and I'm surprised
seems my love knew strange through

Oo, Oo, Oo, Oo...

Girl, you are free
to be all you wanted to be
And now, I can breathe
and let these four walls dissolve around me

You make me shiver
You make me shiver

Oo, Oo, Oo...

Goodbye troubles,
It's always the first to go
Goodbye love,
It seems that it's off to be alone

You make me shiver
You make me shiver, Oh-oh

You make me shiver

Oo, Oo, Oo...
