

I Just Wanna

Amber

Feat. Eric Nam

[Verse 1:]

[Eric Nam] When I first walked in the room, I saw your face
Baby girl I was so amazed
I caught you smiling back at me
But I didn't know what to say

[Amber] Hey now baby boy (Eric Nam~ yeah yeah)
[Amber] Don't you know (Eric Nam~ yeah yeah)
[Amber] I'm ready for you, you, you
Now boy what you gonna do

[Eric Nam] 'Cause I know you the one I've been searching for
[Amber] I know with you my life means more
[Eric Nam] I wish I could say these things to you
[Amber] Come here baby boy let me listen to you

[Chorus:]

[Eric Nam] I just wanna (Eric Nam&Amber) love you
[Eric Nam] Give me that chance wanna (Eric Nam&Amber) hold you
[Eric Nam] Baby you know that
(Eric Nam&Amber) I need you I need you
And I'm wondering all the time
If you love me come on over get to know me
Baby 'cause I know you need me you need me
And I want you in my life yeah yeah
